INTEGRATED GA-PSO BASED UNIT COMMITMENT

P. AJAY-D-VIMAL RAJ, M.SUDHAKARAN, S. SENTHILKUMAR AND T. G. PALANIVELU

Abstract

This paper presents the application of the proposed Integrated Genetic-PSO based unit commitment algorithm for a 10-unit system and the results are presented. The production cost obtained using PSO is considerably less compared to that of genetic algorithm and binary particle swarm optimization (BPSO) based unit commitment problems. A comprehensive unit commitment software package is developed using MATLAB.
