

INVERSES OF k-REGULAR FUZZY MATRICES

AR. MEENAKSHI AND P. JENITA

Abstract

In this paper, we discuss various k-g-inverses associated with a k-regular fuzzy matrix. We obtain some characterization of the set of all k - g-inverses.

Key Words : Fuzzy matrices, k-regular Fuzzy matrices, $k \square$ g-inverses.

2000 Mathematics Subject Classification : 15A57, 15A09
