

COEFFICIENT INEQUALITIES FOR CERTAIN SUBCLASSES OF ANALYTIC FUNCTIONS

T. RAM REDDY, R. B. SHARMA AND K. SAROJA

Abstract

The objective of this paper is to introduce a subclass of analytic function using convolution and to obtain the Coefficient Inequalities and Fekete-Szego Inequality for functions in this class.

Key Words: Analytic function, Convolution, Coefficient Inequalities, Fekete-Szego Inequality.

2000 Mathematics Subject Classification: 30 C 45.
