

ON SOME STRONGER FORMS OF COMPLETELY FUZZY \hat{g} - CONTINUOUS FUNCTIONS

SADANAND N. PATIL, A. S. MADABHAVI AND S. R. SADUGOL

Abstract

In this paper, now the stronger forms of fuzzy \hat{g} - continuous functions namely strongly fuzzy \hat{g} - continuous, perfectly fuzzy \hat{g} - continuous and completely fuzzy \hat{g} - continuous functions have been introduced and studied. And some of their properties are obtained.

Key Words and Phrases : Strongly fuzzy \hat{g} - continuous, Perfectly fuzzy \hat{g} - continuous and Completely fuzzy \hat{g} - continuous functions.

2000 Mathematics Subject Classification: 54A40.
